

NICOSIA DOUBLE CACIB 20-21 OCTOBER:

The weekend started really nice on Saturday judge was **Mr.Kuzelj Denis (Slovenia)** most dogs winning their classes, except Emily that really was not her day, the judge could see only a galloping dog and the best point that is her movement was not shown... But we were very happy and proud because of our new **CYPRUS CHAMPION** Kimi "**Sorcery's Dark Lord**" and our new **INTERNATIONAL CHAMPION** Aramis "**Harmodius Aramis**"! And very happy that our new Spanish import Xena "**Los Ombues Xena**", only 4 months after puppies, made a wonderful presentation and won her 1st CACIB that she needed!

After the show on Saturday we were not so lucky... my boyfriend and one very close friend were crossing the street with green light for pedestrians and a careless driver hit them. So on Sunday I (Eliza) was not in any mood of preparing dogs, so i went to show the dogs that Louise keeps at her house.

Judge was **Mr.Hans Muller** so it was MOVERS day, and is such a pity that Emily and Loopy were not there. But our young girl Mona "**Gallinagos Queen of Rings**" made us very proud by winning Best Junior, Best Bitch, Meditteranean Junior Winner thus qualifying for Crufts!

Here are the results of our dogs:
